APRIL 2017

KENT FLUID POWER SERVICES

- **CONTINENTAL VERTICAL HYDRUALIC POWER UNITS**

- We stock four sizes of Little Champ power units at our Longview, WA shop
- These are now being stocked with external pressure and external volume adjustments built in to easily adjust and setup the unit properly.

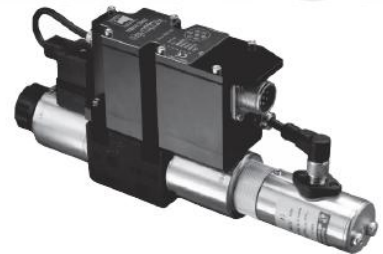

- **FILTER CARTS**

- From hand trucks to push carts, we have what you need for all your hydraulic filtration needs. These can be found in the Applied Product Catalog.
- Need something custom built? Call us and we will send you a quote

- **CONTINENTAL PROPORTIONAL SERVO VALVES**

- Continental Hydraulics now offers servo-proportional valves. These valves come with a 4th position failsafe and high response.
- If on board electronics is needed, the VED03MK valve series has you covered. This comes with position feedback and a failsafe position is optional.
- Please let us know if you want more information.

- **LONGVIEW, WA SHOP – 2497**
