CONTINENTAL HYDRUALICS

KENT FLUID POWER IS A DISTRIBUTOR AND REPAIR CENTER
FOR CONTINENTAL HYDRAULICS

How we can help:

- Kent Fluid Power's dedicated sales team is standing by to answer all your questions.
- We have access to check Applied, Kent Fluid Power, and factory stock levels.
- If the product you need is not available, we will help find a replacement.
- Kent Fluid Power's Longview, WA shop is a factory authorized Continental repair center.
- To order Continental, backorder with your local DC. Rush orders may be placed directly with Kent Fluid Power.
- If pricing or stock cannot be found on applied.com, contact Kent Fluid Power.

HPVR-29 CONTINENTAL PUMP IS NOW AVAILABLE!

HPVR-29B35-RF-O-1R SAP# 113132627

- HPVR-29B35-RF-O-1R-A replaces HPV-29B30-RF-O-1R-C
- Now in stock at Kent Fluid Power while supplies last.
- We can help you with all your questions on the new HPVR-29
